KRUPP BROTHERS

Krupp Brothers

Born from stone. Cloaked in elegance.

The latest release of the iconic M 5 Cabernet opens with a complex layering of Savory-sweet and mountain flora notes, violet, cardamom, black currant, oak moss, and California bay leaf. The palate – with the power and depth of a wine from rocky red mountain soils – extends those elements with luscious dark fruits, blackberry, and black raspberry carried by tannins that are both robust and plush. Pair with beef tenderloin in a horseradish garlic sauce, or pasta carbonara. Drink January 2023 through 2052.
